Reg No: 184/2022

Community Cleanliness & Awareness Programs

❖The youth of Amadagur organized a road-cleaning and awareness event in the village. They cleaned main roads and public areas while spreading messages on hygiene and waste management. Their effort aimed to inspire villagers to keep Amadagur clean and beautiful.

Health & Wellness Initiatives

❖The youth of Amadagur organized various health-related activities to spread awareness about the importance of good health. They conducted blood donation camps and general health checkups for villagers, encouraging everyone to take proactive steps toward a healthy lifestyle and community well-being. Their efforts reflect the spirit of service and responsibility among the youth of Amadagur.

Sports & Youth Development Activities

❖The youth of Amadagur organized various sports events, including volleyball and cricket tournaments, along with athletics competitions, to promote physical fitness and unity among the villagers. Winners of the games were honored for their achievements, encouraging sportsmanship and active participation. These activities not only provided good mental refreshment but also strengthened the bond and spirit of togetherness within the community.

Environmental Protection & Green Initiatives

❖The youth of Amadagur organized events focused on protecting and planting trees to preserve the local ecology and environment. Through plantation drives and awareness campaigns, they encouraged villagers to take active part in safeguarding nature. These efforts aim to create a greener, cleaner, and more sustainable environment for future generations.

National & Social Awareness Programs

- ❖ The youth of Amadagur believe that change should begin from the roots. To encourage education and recognize talent, they are honoring meritorious students from 11 schools and colleges across the Mandal. Additionally, they are providing financial support to deserving students who wish to pursue higher studies based on merit, helping to nurture a brighter and more educated future for the community.
